

A long, ornate glass and iron arched walkway, likely a historic shopping arcade. The ceiling is a complex network of dark iron trusses supporting a glass roof. A large, circular, multi-paned skylight is centered on the far end of the walkway. The walkway is lined with shops and stalls, including one labeled 'Where Fox Lives BOUTIQUE'. People are walking and sitting at tables along the sides. The floor is made of dark wood. The overall atmosphere is warm and historic.
